

Nourish Mission

Nourish Mission is a dignified, choice-based food support program by Mission Community Services Society (MCSS) that supports low income residents of Mission access nutritious food while fostering community connection and empowerment.

77

Registered households

\$2000

worth of pantry staples distributed over 4 pickup sessions since June 23, 2026

Choice based online hamper booking

Appointment based pickups

Frozen meals & fresh produce provided through community partnerships

Referrals to other resources such as rental subsidy and settlement services

We have received an overwhelmingly positive response, and demand continues to be exceptionally high. To ensure program stability and continue serving our current client base effectively, we have made the difficult decision to pause new registrations until the end of the fiscal year ending March 31, 2027.

Stay Tuned

One time holiday hamper through Christmas Bureau for 500 families

Expanding reach: In previous years, eligibility was based on an income threshold of LICO + 10%. For this year's Christmas Bureau, eligibility will be expanded to LICO + 30%

Online registrations start mid-September

Completed applications will be processed on first come first served basis

Ways to Support

Nourish Mission relies on donations from the community at large to serve Mission Residents in need. **We are currently inviting sponsorships for Holiday Hampers through Christmas Bureau and seeking partnerships for donation of meat, eggs and dairy products.**
