About Us

For more than 50 years, the Mission Community Services (MCSS) Christmas Bureau has been bringing hope, joy, and support to families in our community during the holiday season.

We have worked alongside generous donors, volunteers, community partners and sponsors to ensure that local children and families experience the warmth and spirit of the holidays, regardless of their background and financial circumstances.

Each year, hundreds of diverse families turn to the Christmas Bureau for support. Rising living costs, unexpected hardships, and ongoing financial challenges mean that families struggle to provide gifts, food, and holiday traditions for their loved ones.

Through the generosity of our community, we are able to provide Christmas hampers, gifts for children, and essential holiday support that helps make the season brighter for those in need.

MCSS Christmas Bureau is more than a holiday program. It is a reflection of our community's compassion and commitment to helping neighbours in need. Every donation, sponsorship, and volunteer contribution plays a vital role in creating meaningful holiday memories and ensuring that families feel supported, valued, and connected.

Surplus donations support vital community programs throughout the year.

Essential Holiday Assistance

Grocery Gift Cards

Families registered with our Christmas Bureau receive a grocery store gift card to help purchase the items they need for their holiday meal. This approach allows families the flexibility to choose foods that reflect their dietary needs, cultural traditions, and personal preferences, helping to make the holiday season meaningful & enjoyable.

\$1500 supports 10 families of 4

Gift Cards for Teenagers

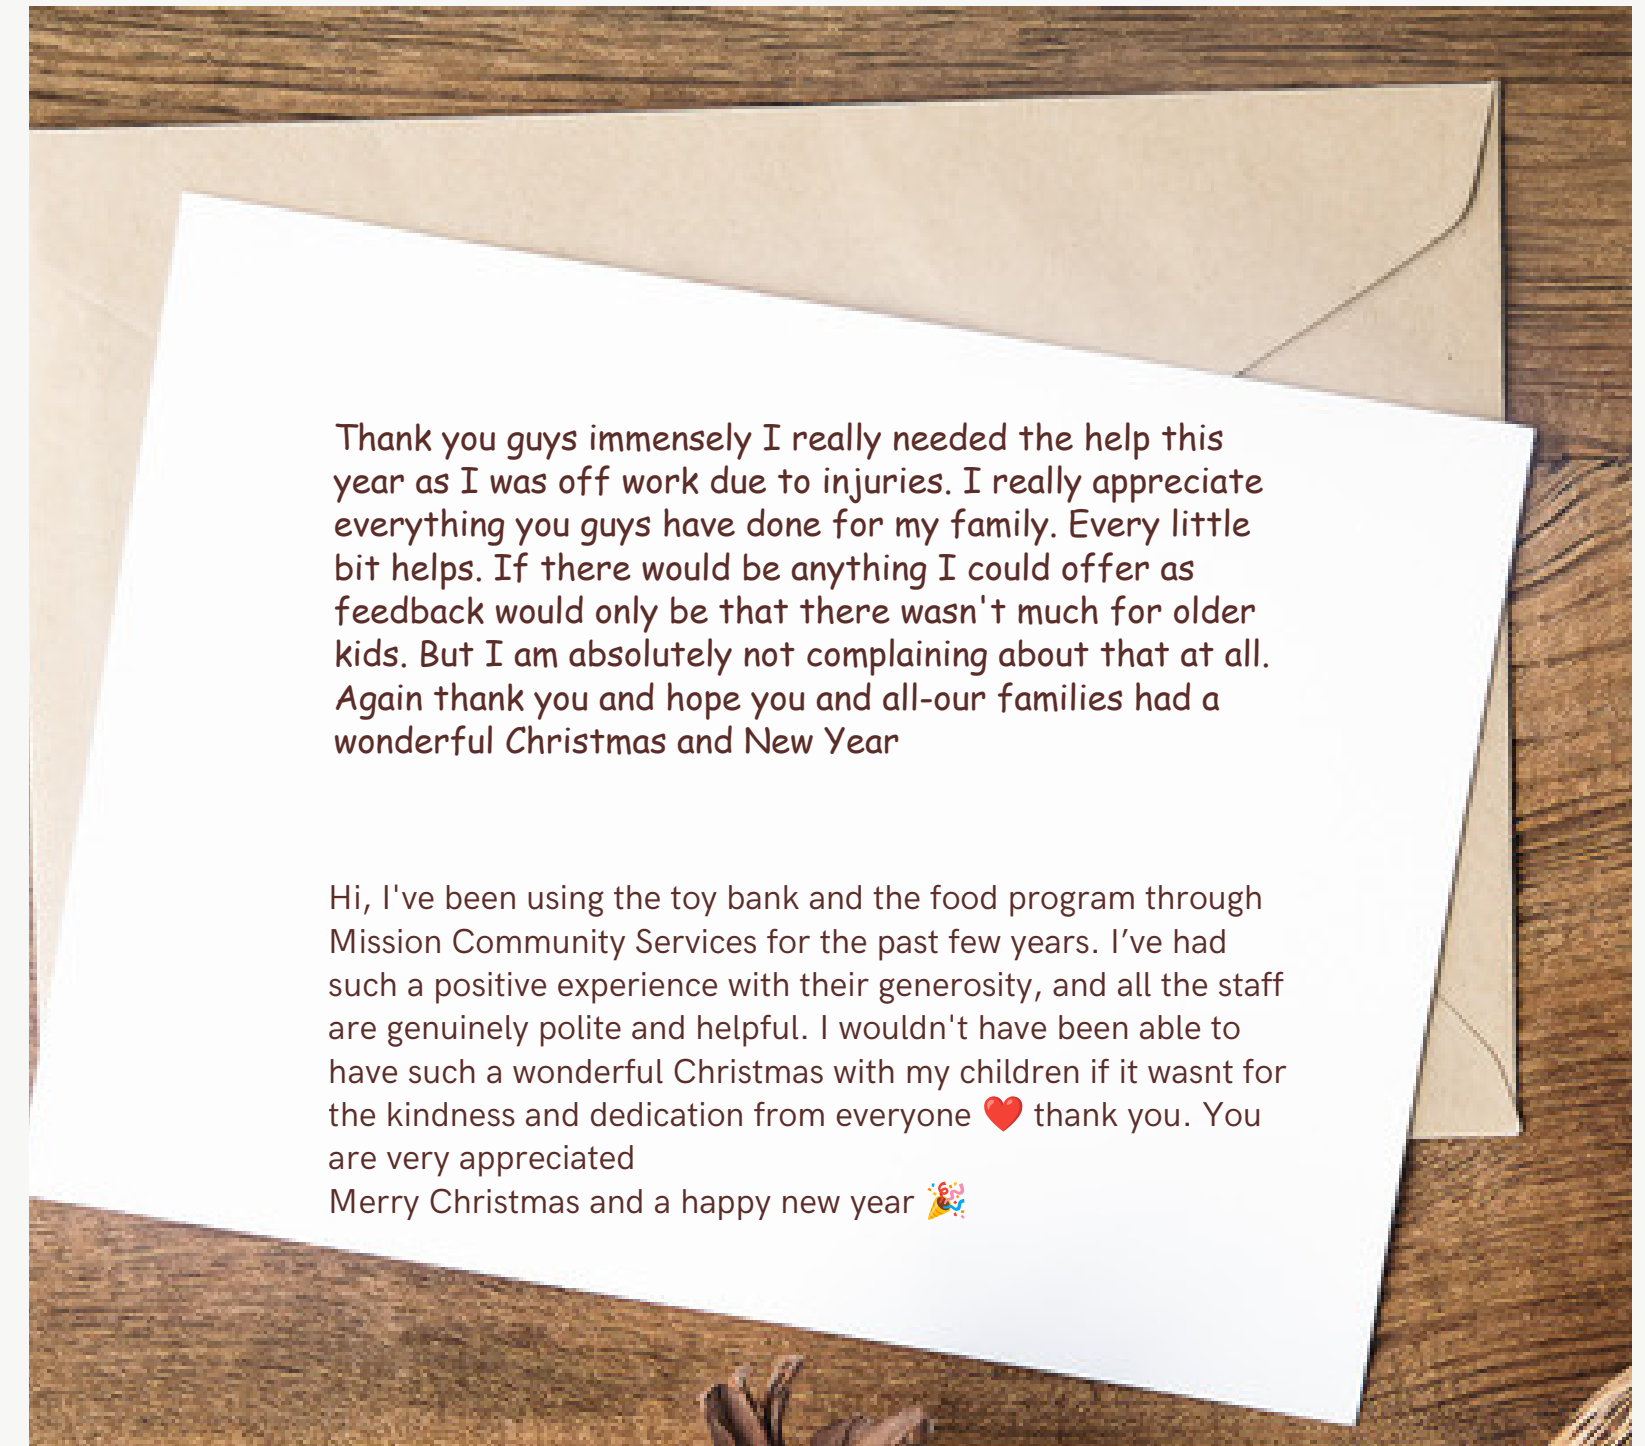

Many of the teens we support are at an age where their interests, hobbies, and personal styles are unique to them. Providing gift cards allows teenagers to choose a gift that's meaningful to them, whether it's clothing, books, technology, sports equipment, or something they've been hoping for.

\$1000 covers gift cards for 15 teens

Care Packages for Housing Residents

Each holiday season, the Christmas Bureau provides care packages to residents in our housing programs to help bring comfort and holiday cheer. These thoughtfully assembled packages include essential items, seasonal treats, and personal care products, helping residents feel remembered, supported, and connected during the holiday season.

\$2500 covers the cost of care packages at 1 housing site
